PROGRAM PROCESS

Upon review you will be contacted by Community Consultants, and informed of the additional documents needed to complete the application process and an appointment will be scheduled for verification.

Your home will be inspected and a bid package will be assembled and distributed to eligible contractors. The lowest bidder will receive the contract. You may request a registered, certified and insured contractor to bid on your repairs; however if they are not the lowest bidder, you must pay the difference.

Following homeowner's approval of the work completed, the city will pay the contractor directly. No payments are made to the homeowner.

The Senior Home Improvement Grant Program provides a maximum grant of \$10,000.00.
